**Creating Connection**

# Chairman's Letter

John Daniell  
Chairman  
[jdaniell@oconee.ga.us](mailto:jdaniell@oconee.ga.us)

The year 2021 provided an opportunity for us to refocus and invest in what is truly important in life - family, community, and connection.

The departments of Oconee County Government strive to provide outstanding service and to connect with our community through programs that touch the lives of all our citizens. Over 16,000 program and user group participants took part in both youth and adult activities through Parks & Recreation, and over 12,000 meals were distributed to Senior Center clients during 2021. Our libraries provided access to technology and hands-on activities, as well as classes and clubs. Oconee Fire Rescue instituted a Fire Explorers program for teens who are interested in pursuing a career in Fire or EMS. Animal Services completed a building renovation and expansion that will enable their staff to better serve the community for years to come, and Keep Oconee County Beautiful continued to provide opportunities for residents to come together to reduce litter and help beautify the entire county.

As always, my door is open. Please reach out to me via email or phone and let me know your thoughts and concerns. It is my mission to ensure that Oconee County Government continues to meet the needs of its residents in an effective, efficient, and neighborly way.

Sincerely,

A handwritten signature in black ink that reads "John Daniell". The signature is fluid and cursive, with a large, stylized "J" at the beginning.

John Daniell

# Senior Center

The Oconee County Senior Center broke ground in July on a 2,400-square-foot health and wellness center expansion. With an expected completion date in the fall of 2022, the expansion will provide additional space for arts and recreational activities and allow the center to offer expanded programming, provide respite to family caregivers, enrich the lives of older adults living with dementia, and increase available space for a variety of activities.

“We are thrilled to be able to grow our space and offerings for older adults in our community,” said Senior Center Director Merry Howard. “This expansion project will allow us to bring our vision for a thriving and vibrant Senior Center with a broad spectrum of activities to life.”

Throughout 2021, the Senior Center worked to respond to members’ needs while navigating the pandemic era. Drive-through activities and new programs, including puzzle and book swaps, give-aways, and to-go meals, kept members involved. Activity packets, Valentine’s packets, Christmas stockings, cards, and letters were prepared and sent to homebound clients and Meals on Wheels recipients through a partnership with the Oconee County High School Beta Club. Socially-distanced activities such as Bingo, Mystery Theatre, and Crochet/Knit classes continued on the patio. The Center re-opened with a limited in-person schedule on September 1.

Though the year presented challenges, it also provided new opportunities to engage through social media, providing a way to reach seniors and community members with health and wellness information, links to exercise videos, and volunteer opportunities.

Over 12,000 meals were prepared and distributed to homebound and congregate clients during the pandemic in 2021, and staff raised \$5,665 for the local Meals on Wheels program during “March for Meals,” an annual national campaign to increase awareness of and address food insecurity, malnutrition, social isolation, and the community support needed to meet the rising demand for Meals on Wheels programs.

# Libraries

The Oconee County and Bogart Libraries are active, vibrant centers of the community which offer in-person story times, educational and entertaining all-ages programming, computer assistance, a growing collection of materials including ever-expanding digital collections, and access to high-speed internet. The Library also added services in response to the pandemic including curbside pickup, virtual programs, and take-home craft kits.

## 2021 Library Stats:

- The library circulated over 245,000 items in the last fiscal year
- Over 5,000 people participated in library programs last year
- Patrons logged over 5,000 hours of computer usage
- 24,619 active library card users at Oconee & Bogart Libraries

## New Library Services:

- Take-and-make crafts and activities for all ages
- Game and Puzzle Collections
- “Get Library Carded” promotion during Library Card Sign-Up Month featuring discounts at local businesses
- A Seed Library encourages patrons to start their own fresh vegetable gardens

## Ongoing Library Services:

- Access to technology (Wi-Fi Hotspots, Chromebooks, audio editing software, high speed internet access, and more)
- Family literacy events
- Art exhibits
- Hands-on arts/activities for all ages
- Online resources (digital eBooks, audiobooks, magazines, GALILEO, language learning, test prep, career)

# Civic Center

An outstanding resource for the entire community, the Oconee County Civic Center is available to host a variety of events in its Performing Arts Theater and Banquet Room and has seating for up to 500 attendees.

In 2021, the Civic Center was host to early voting and jury selection proceedings, as well as Town Hall Meetings and COVID-19 vaccination clinics.

The Civic Center also continued to support the community off-site by providing production equipment and technical expertise for events including the Veteran's Day Memorial at Oconee Veterans Park and the Watkinsville Christmas Celebration.

# Tourism & Visitors Bureau

## 2021 Overview

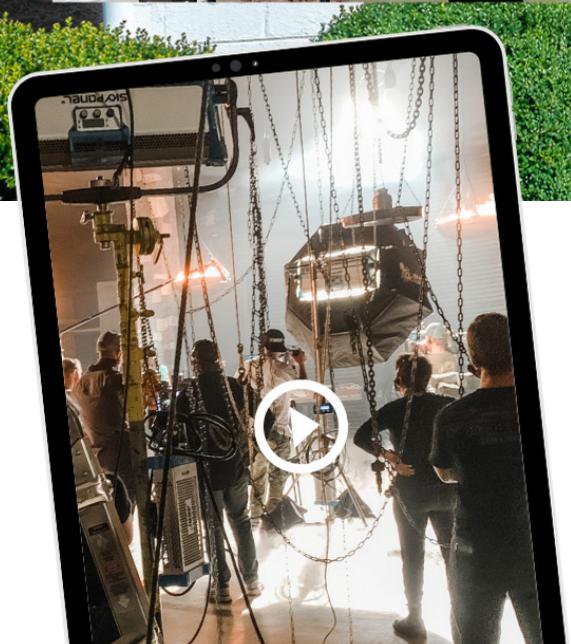

2,067 individuals visited the Welcome Center and the Eagle Tavern Museum in addition to the visitors who spent time in our county for leisure and business travel.

# Fire Rescue

## Fire Explorers

Oconee County Fire Rescue created a Fire Explorers Program for young men and women who want to pursue a career in Fire or EMS and volunteer with Oconee Fire Rescue. This program is designed for teens ages 14 to 18 who are residents of Oconee County. Fourteen young men and women currently serve in the Fire Explorers Program.

## National Firefighter Certifications

Oconee County Fire Rescue graduated four volunteer members with a 210-hour National Firefighter 1 Certification and seven volunteer members with a 75-hour National Firefighter 2 Certification. Fire Rescue volunteers are trained to the highest professional standard and serve Oconee County with unwavering and tireless dedication.

## Response Time to Fire and Medical Calls

Oconee County Fire Rescue responded to 845 fire calls and 3,050 medical calls in 2021 with an average response time of 7.74 minutes.

## New Custom Pumper Truck

A new Sutphen Heavy-Duty Custom Pumper Truck joined the fleet at Fire Station 2. Engine 201 was funded with proceeds from the 2015 Special Purpose Local Option Sales Tax (SPLOST). Capable of pumping 1,500 gallons per minute with a 1,000-gallon capacity water tank, Engine 201 has a custom cab which seats a driver and three additional firefighters. The engine is a “clean cab” concept design, in which all self-contained breathing apparatus gear is stored in a compartment in the body of the vehicle and not inside the cab. The clean cab concept reduces carcinogens that firefighters are exposed to from contaminants left on the equipment after fires.

## Building Renovation Complete

A “Leash Un-Clipping” ceremony in May marked the official completion and unveiling of the Oconee County Animal Service’s building renovation and expansion project, which included the addition of a new dog quarantine kennel, new cat quarantine kennel, and lab.

“We are proud to help bring the goals of Oconee County to life by providing an Animal Services facility that is safe, practical, and inviting for animals, staff, and visitors,” said Oconee Animal Services Manager Crystal Berisko. “The recent completion of the renovation and expansion project will allow us to care for the animals and to expand our programs in ways that will support the community for years to come.”

# Cooperative Extension

The Oconee County Cooperative Extension Office provides numerous services to residents in the areas of Agriculture & Natural Resources, Family & Consumer Sciences, and 4-H & Youth Development. 4-H programs are extremely popular in the Oconee County community, providing leadership development and citizenship opportunities, communication skills building, and environmental education. In addition, Oconee County Extension provides services including water and soil testing/analysis, food safety and preservation programs, continuing education for early childhood professionals, University of Georgia Virtual Volunteer Income Tax Assistance, and the Senior Grocery Bag Nutrition Program.

## Oconee County Extension Impact Highlights

- 4-H partnered with public and private schools in Oconee County to deliver leadership and citizenship programs resulting in 4-H'ers participating in over 600 hours of community service projects
- Family and Consumer Science programming addressed chronic disease prevention by partnering with ACTION's Senior Grocery Bag Nutrition Program providing approximately 1,500 pounds of fresh produce to 21 low-income seniors
- Through soil and water testing, Oconee Extension improved residents' water quality and producers' crop yield by processing approximately 500 soil samples and 350 water samples annually
