Celebrating 29 Years of Keeping Oconee Beautiful

Happy Birthday to the Keep Oconee County Beautiful Commission! Since its founding on August 7, 1990, KOCBC has been committed to increasing environmental awareness and stewardship among Oconee County residents. KOCBC is flourishing with numerous programs including Lend-A-Bin, Adopt-A-Mile, and a Youth Advisory Council. KOCBC also participates in a variety of events throughout the year, including Dirty Dozen Road Cleanups, Arbor Day activities, Envirofest, Bring One for the Chipper, Tire Amnesty Days, and Tree Inventories, in addition to providing recycling education. Consider borrowing a recycling bin for your next event and check out oconeecounty.com/kocbc for more ways to get involved!

Employment Anniversaries

Congratulations to everyone on our team celebrating another year of service to the residents of Oconee County! Thank you for making our organization an outstanding place to work and for your dedication to our community! We appreciate all that you do!

Notes from IT

Watch out for spoofed email addresses. In early July, the city of Griffin's finance department received an email from a cybercriminal who spoofed their email address to look like a vendor from the water department. The email asked for the finance department to change the banking account number where the money needed to be deposited. They were scammed for over \$800,000.

IT has received many Phish Alerts from you with these similar types of emails. Cybercriminals get county employee names off of websites and use those email addresses to send fraudulent emails to try and trick other employees to give out personal and financial information. When you receive an email asking you for personally identifiable information (PII), send IT a Phish Alert. IT will then block the criminal's email address.

Keep up the good work!

Welcome!

We would like to extend a warm welcome to our newest colleagues - we are so glad you have joined us! Welcome to the team!
