

Oconee County Connections Employee Newsletter

Volume 2, No. 2 February 2020

Notes from IT KnowBe4 Training & Password Changes

KnowBe4 Training Starting Soon

Cyber security starts with you! Here at Oconee County, we have hardware and software in place that provide protection for our network . . . BUT, it just takes one end user to click a malicious link and allow criminals to break through and access our network. Learning to be a “human firewall” will be revisited with our KnowBe4 security training. We will be sending this training to all computer users in the next few weeks. Remember STOP, LOOK, and THINK - protecting our network is in your hands!

It's Time to Change Your Password

Passwords are critically important to cybersecurity. Each computer user will be forced to change their passwords in the next few weeks.

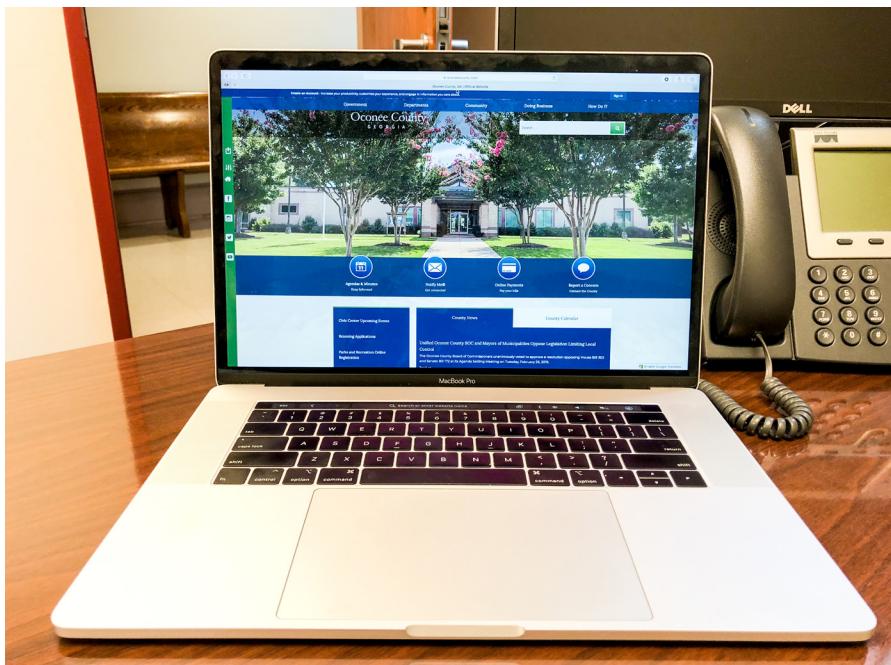

New passwords must:

- Be at least 6 characters long
- Include an upper and a lower case character
- Include either a number or a special character

Remember to follow these simple rules for all your passwords:

- Never share your password
- Don't write passwords down on a sticky note on your desk
- Don't use the same password for multiple accounts

Thank you for your continued vigilance!

Employment Anniversaries

Congratulations to everyone on our team celebrating another year of service to the residents of Oconee County! Thank you for making our organization an outstanding place to work and for your dedication to our community! We appreciate all that you do!

Departmental News

The **Human Resources Department** is pleased to announce the hiring of Beth Armstrong for the position of Human Resources Generalist. Beth has more than 17 years of experience in the Human Resources field and holds several certifications, including CHRM, ACHRM, PHR, and SHRM-CP.

Beth is looking forward to her new role and getting to know all of the great employees of Oconee County Government - stop in to HR to say "hello" and welcome Beth on board!

Congrats to the **Oconee County Parks & Recreation Department** on its successful renewal of the Better Sports for Kids Quality Program Provider designation for 2020-2021. This designation is awarded by the National Alliance for Youth Sports to programs that have demonstrated their commitment to providing a safe, high-quality youth sports environment.

The Parks & Recreation Department earned this designation after undergoing a review process and meeting key requirements in the following five categories: written policies and procedures, volunteer screening, coach training, parent education, and accountability.

Kudos to the **Keep Oconee County Beautiful Commission**, which recently received the Governor's Circle Award in recognition of its continued outstanding work in keeping our community clean, green, and beautiful. The award, presented annually by the Keep Georgia Beautiful Foundation, honors exemplary work in litter reduction, waste minimization, and community greening.

As part of the requirements for the Governor's Circle Award, the Keep Oconee County Beautiful Commission conducts an annual litter index, engages volunteers to take responsibility for their community environment, and actively participates in the Keep Georgia Beautiful network.

Oconee Connections Employee Newsletter is published monthly by the Office of Communications. We want to hear from you! Please e-mail us with your department news, as well as employee announcements of births, engagements, weddings, and retirements. Please submit news items to dbaggett@oconee.ga.us by the 15th of the month prior to publication for inclusion in the newsletter. The Office of Communications reserves the right to edit all submissions for clarity and length.
