## Oconee's 150th Birthday Bash

Thank you to all that came out to celebrate Oconee County's 150th Birthday Bash! A huge round of applause for the Oconee Tourism and Visitors Bureau for hosting such a fun, historical, and informative event.

# From the IT Workroom

## Happy March from the IT Department!

Customize your Microsoft Office applications for a spring refresh. Enable high contrast color schemes to protect your eyesight, save battery power, and prolong the life of your monitors.

Let's use Outlook as our example, but any Microsoft product will have similar steps.

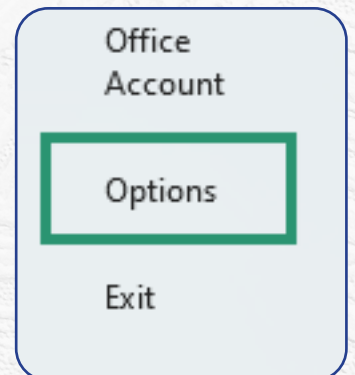

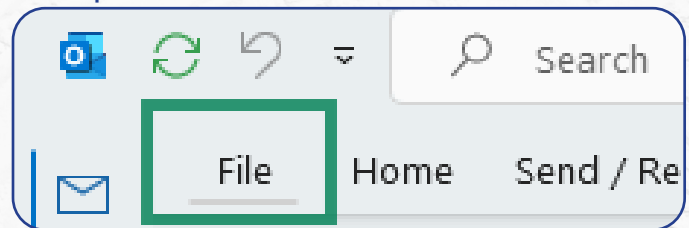

1) Open Outlook, click on 'File' at the top left of the window, and in the new window open "Options".

2) Select the option "Office Background" at the bottom of the menu page and choose from five different color themes. After clicking 'OK,' your Outlook and every other Office application will now have an entirely new look!

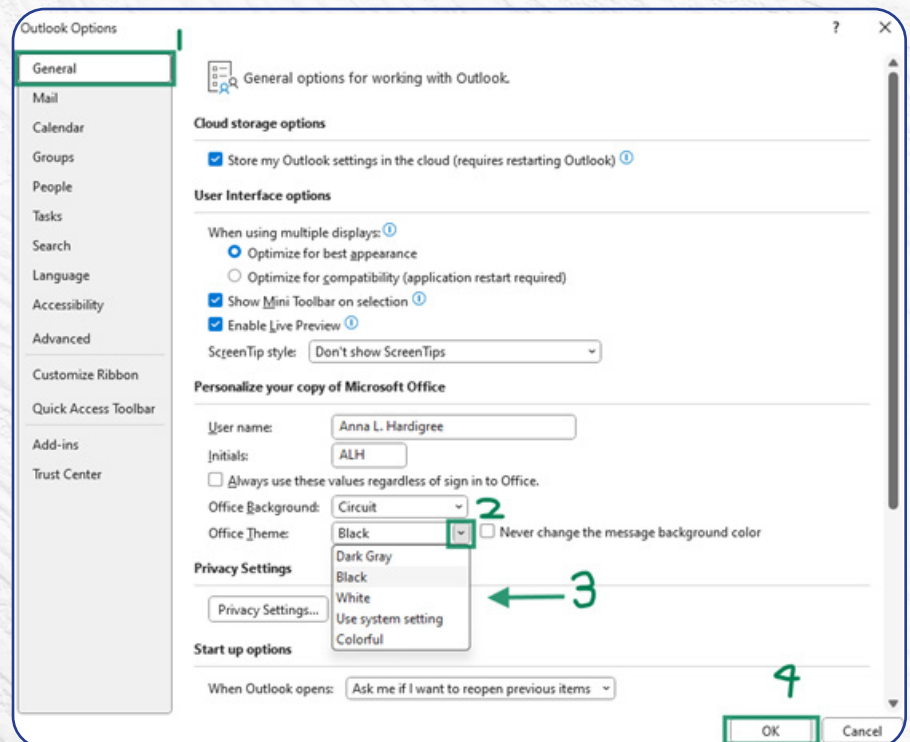

Little changes like these can impact your productivity and add a pop of color or lack thereof to your day. These accessibility tools exist to assist you, and so does your IT Department! We're always happy to offer a helpful guide, and as always, address any technical concerns.

## **New Website Domain Launch** **www.oconeecountyga.gov**

The official Oconee County Government website has a new .gov domain, [www.OconeeCountyGA.gov](http://www.OconeeCountyGA.gov), providing an enhanced level of security and public trust. .Gov domains are available only to U.S.-based government organizations, making it easy for the public to identify the Oconee County website as a verified governmental entity while assuring users that the information they access is official, trusted information.

Website functionality remains unchanged and the previous address [www.OconeeCounty.com](http://www.OconeeCounty.com) will redirect to the new domain to ensure all users are able to easily find the county website. Email addresses for Oconee County Government employees are not changing at this time.

The Cybersecurity and Infrastructure Security Agency (CISA), manages the .gov domain, verifying the identity of everyone who requests a .gov domain and providing an increased level of security that protects sensitive information and makes it more difficult for cybercriminals to impersonate government officials.

**Make sure to update email signatures and any information you give out with our new domain name!**

## **Around the County**

### **Government Communicators Day Proclamation, February 21st**

The Board of Commissioners presented a proclamation recognizing “Government Communicators Day” to the county’s Communications Department at its February Agenda Setting Meeting. Celebrated this year on February 21, “Government Communicators Day” highlights the contributions of public communication professionals across the nation. The Oconee County Communications Department is dedicated to building trust and transparency with the community through effective, impactful, and successful communication strategies.

# Invasive Species Removal

## Last Work Day of the Season!

The Oconee County Parks and Recreation Department and the Keep Oconee County Beautiful Commission, in partnership with the Athens Land Trust and Kel-Mac Saddle Club, hosts a series of Invasive Species Plant Removal Work Days at Heritage Park. **The last work day of the season is scheduled for March 11 from 9 am to 1 pm.**

Registration is required for this event but no experience is necessary! For more information or to register online, visit [www.oconeecountyga.gov/heritagepark](http://www.oconeecountyga.gov/heritagepark). Heritage Park is located at 2543 Macon Highway, Watkinsville.

Congratulations to everyone on our team celebrating another year of service to the residents of Oconee County! Thank you for making our organization an outstanding place to work and for your dedication to our community! We appreciate all that you do!
