**Subject:** OCSO LP data for 2020 annual report

Amy,

Attached are the 2020 Oconee County Sheriff's Office Litter Patrol Division Community Service worker road cleanup monthly report forms. Deputies, including Gabriel, were redirected to additional community duties as a result of the Covid pandemic. While several months workers were cancelled, often additional duties affected the amount of days devoted to road cleanup.

At the beginning of the pandemic when travel and activity was restricted we saw a definite decrease in overall litter. As we have learned how to continue to carry on during the pandemic, we have been able to resume regular pickups and responses to litter/dumping concern incidences. Our annual county-wide litter index showed for the 3<sup>rd</sup> year a slight decline in litter though.

This program continues to have a major impact on litter removal and we look forward to addressing more county roads in 2021.

Cindy

April 2020

Friday 12:11 PM

Checking in to see if you've done any litter cleanups this week. Hope all is well!

New High shoals road yesterday. 1 person , 5 bags , 3 hours.

→ 4/30/20

OC80  
UPD

Starting good next week.

Great! No cleanup report for April right?

Yesterday was the 30th
