

The screenshot shows a computer monitor displaying the Oconee County, Georgia website. The page is titled 'Storm Water Management' and is part of the 'Public Works' department. The left sidebar contains links for EPA Storm Water Discharges from Municipal Sources, Georgia EPD Storm Water Permit, Outdoor Watering Schedule, Protect Our Water, Storm Water Annual Reports, Storm Water Management Plan, Storm Water Journey Geocache, and Storm Water Journey Info. The main content area includes sections for 'Program Overview', 'Purpose', 'FAQs', and 'Contact Us'. The 'Program Overview' section describes the creation of the Storm Water Management Program in 2004 to comply with Phase II of the National Pollutant Discharge Elimination System. The 'Purpose' section states that the program aims to reduce water pollution caused by storm water runoff by stopping pollution at its source. The 'FAQs' section lists several questions, and the 'Contact Us' section provides information for Amy Morrison, the Stormwater/ Environmental Coordinator, including her phone number (706-769-2937) and email (Email Amy Morrison). The website's header features the Oconee County logo and navigation links for Government, Departments, Community, Doing Business, and How Do I?.

2021 Updates:
