

Each year we partner with Keep Athens-Clarke County Beautiful and others to host a 2 -county Rivers Alive event. Due to the Covid Pandemic we have added a choose your own adventure option to the organized(reduced size) group event. We also host a KOCBC annual Trashy River Float on the Oconee River, bordering and located in, both counties. Our TRF data is added to the group event and submitted to the state together. In 2021, our TRF removed 880# of litter and debris and 7 tires from an 8 mile stretch of river. 10 volunteers spent a combined 70 hours doing cleanup.

## ATHENS WATERWAY CLEANUPS

Two opportunities to volunteer for Rivers Alive:

1. Saturday, October 23 from 9:00am-11:00am  
Choose from a variety of public sites to cleanup
2. Entire month of October  
Choose your own site to cleanup
