

Stormwater Structures in Urbanized Areas

The information used in these applications were derived from digital databases in the Oconee County GIS. Although we strive to provide the best data we can, we sometimes use data developed by sources outside Oconee County. Therefore, Oconee County cannot accept any responsibility for any errors, omissions, or positional accuracy, and therefore, there are no warranties which accompany this product. Although information from Land Surveys may have been used in the creation of this product, in no way does this product represent or constitute a Land Survey. Users of the information displayed in this map are strongly cautioned to verify all information before making any decisions.

This map was created on Tuesday, February 14, 2023 by the Oconee County GIS Department. Source project files can be found by searching '2022 Storm Water Maps' in the OCGIS databases.
