GI/LID Program

Dear Ms. Morrison:

Oconee County submitted a proposed Green Infrastructure/Low Impact Development (GI/LID) Program on May 7, 2021. In a June 4, 2021 letter, the Environmental Protection Division (Division) provided comments on the draft GI/LID Program. On June 23, 2021, the County submitted a revised GI/LID Program. The Division combined the example inspection forms from the May 7, 2021 draft GI/LID Program with the June 23, 2021 submittal to create a comprehensive GI/LID Program. The Division has determined the comprehensive GI/LID Program is acceptable.

The County should ensure that their copy of the GI/LID Program includes the June 23, 2021 submittal and the example inspection forms from the May 7, 2021 submittal to create a comprehensive GI/LID Program. If you have any questions, please contact me at 470/524-0611 or Lisa.perrett@dnr.ga.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Lisa A. Perrett".
