Temporary Construction Trailer

Listed are the items needed to apply for a permit for a Temporary Construction Trailer.
All applications can be found on our website.

- Commercial Permit Application
- Zoning Compliance Application
- copy of the recorded plat
- proof that the taxes have been paid on the property
- site plan prepared and stamped by one of the professionals listed on the Zoning Compliance Application
- approval letter from Environmental Health if hooked to septic or a receipt from the Water Department showing the fees were paid if hooked to sewer
- construction plans of the construction trailer
- copy of the Contractor's State License and Business License
- Electrical Permit Application along with a copy of that Contractor's State License and Business License

FEES: there will be a plan review fee and a building permit fee. Both are based on the square foot of the structure. There is also an additional \$50 Zoning Compliance fee and an additional \$70 fee for the Electrical permit.

INSPECTION: a final inspection is required after the trailer is set and ready to occupy.

* Temporary Construction Trailers must adhere to the building setbacks for that lot.

Contact our office at 706-769-3907 if you have any questions.
