By signing this application, you hereby certify that you have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction. If the work described above is not started within six (6) months from the date the permit is issued, the permit shall become invalid unless an extension is approved by the Planning & Code Enforcement Director. The extension, if granted, will require a \$100 renewal fee. Permit packet must be resubmitted and is subject to all applicable fees if the work described above is suspended or abandoned within one (1) year from the date the permit is issued. **FLOOR PLANS REQUIRED**.

Owner / Agent _____ Date _____

Office Use

Building Official _____ Date _____

Work started without a permit will result in a triple permit fee.

Grading, digging, and/or removing stumps on a building lot is not permitted until the building permit is issued for the lot. Cutting down trees and clearing vegetation (cutting the brush/grass) is permissible.

If the work described above is not started within six (6) months from the date the permits is issued, the permit shall become invalid unless an extension is approved by the Planning & Code Enforcement Director. The extension, if granted, will require a \$100 renewal fee.

Permit packet must be re-submitted if work is suspended or abandoned for one (1) year.

Job boxes are required on each building lot.

All BMP's shall be installed and maintained.

Port-a-potty's & dumpsters required on all job sites.

No burning or burying of construction debris.

Burn permits required by the Georgia Forestry Commission 1-877-652-2876 or on their website www.gfc.state.ga.us

All solid waste haulers must be county licensed.

No irrigation or structures within county R-O-W or 13 feet of back of curb.

No structure or irrigation shall be allowed within any county right-of-way, drainage easement, buffer area, flood plain or within 25 feet of any state waters without prior approval.

A \$75.00 re-inspection fee will be charged if second re-inspection is required.

A \$100.00 re-inspection fee will be charged for any further re-inspections required.

Subgrade form required on all fill lots for verification of bearing capacity of fill material prior to footing inspection.

There is a \$50 fee for a Certificate of Occupancy or a Letter of Completion.

Before installing mailboxes, contact the Post Office for specifications.

In accordance with state law, Oconee County Tax Assessors representatives will be conducting inspections during all construction.

A house, building or other structure or any part of a house, building or other structure shall not be moved or caused to be moved by any person through or across any sidewalk, street, alley or highway within the governmental limits of the county, without such person first obtaining a permit from the Planning & Code Enforcement Director.

IT IS UNLAWFUL TO OCCUPY OR PERMIT SOMEONE TO OCCUPY A PREMISES WITHOUT A CERTIFICATE OF OCCUPANCY.

ANY VIOLATION OF THE ABOVE MAY RESULT IN A STOP WORK ORDER.

I have read the above items, understand and agree to comply with all items listed.
